New York, New York 10005

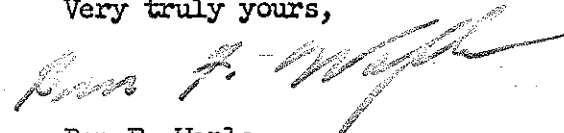

Gentlemen:

Further reference is made to your application, File No. BPED-742, for a construction permit for a new noncommercial educational FM broadcast station in New York, New York.

A preliminary review has been made of the proposed antenna structure for your station and comments are being awaited from the Federal Aviation Agency concerning it. Your application does not indicate that you have submitted information concerning the antenna structure to the FAA. Therefore, if you have not already done so, it is requested that you submit a completed Form FAA-117 to the FAA and to so notify this office immediately thereafter. Copies of Form FAA-117 can be obtained from your FAA regional office, John F. Kennedy International Airport, Jamaica, Long Island, New York, 11400.

Further action on your application is being withheld pending consideration of the proposed antenna structure by the FAA.

Very truly yours,

Ben F. Waple
Secretary
